Nutella Pot		Traces			Traces	Traces	✓	✓			Traces			
Biscoff Pot		✓			Traces	Traces	✓	Traces			Traces			
<p><i>We use Churros that contains NUTS, there may also be traces found in all menu items due to supplier's factory handling information. Please be aware that whilst we try to minimise cross-contamination, as we sell cheese, there may be traces of milk in all our products. We also only ever use boneless meat, however there will still be a tiny chance of finding a bone in meat items.</i></p>
